SHAPES

CONCEPT

La colección SHAPES de DUNE surge para ahondar en la exploración de los contornos y los volúmenes. Inspirada en la moda, la edificación y la propia naturaleza. SHAPES se sumerge en el estudio de las líneas, tanto rectas como orgánicas, para desarrollar un producto con la geometría como protagonista.

La versatilidad de las piezas de esta colección, al disponerlas en diferentes posiciones o combinarlas entre sí, otorga un sinfín de posibilidades. Las paredes se convierten en lienzos en blanco donde arquitectos e interioristas pueden crear sus combinaciones jugando con las formas y los relieves.

Las composiciones proporcionales ó asimétricas que resultan de la distribución de las piezas, aportan distinción y un marcado carácter estético a los proyectos.

Un mundo de oportunidades para la creación de espacios exclusivos y únicos.

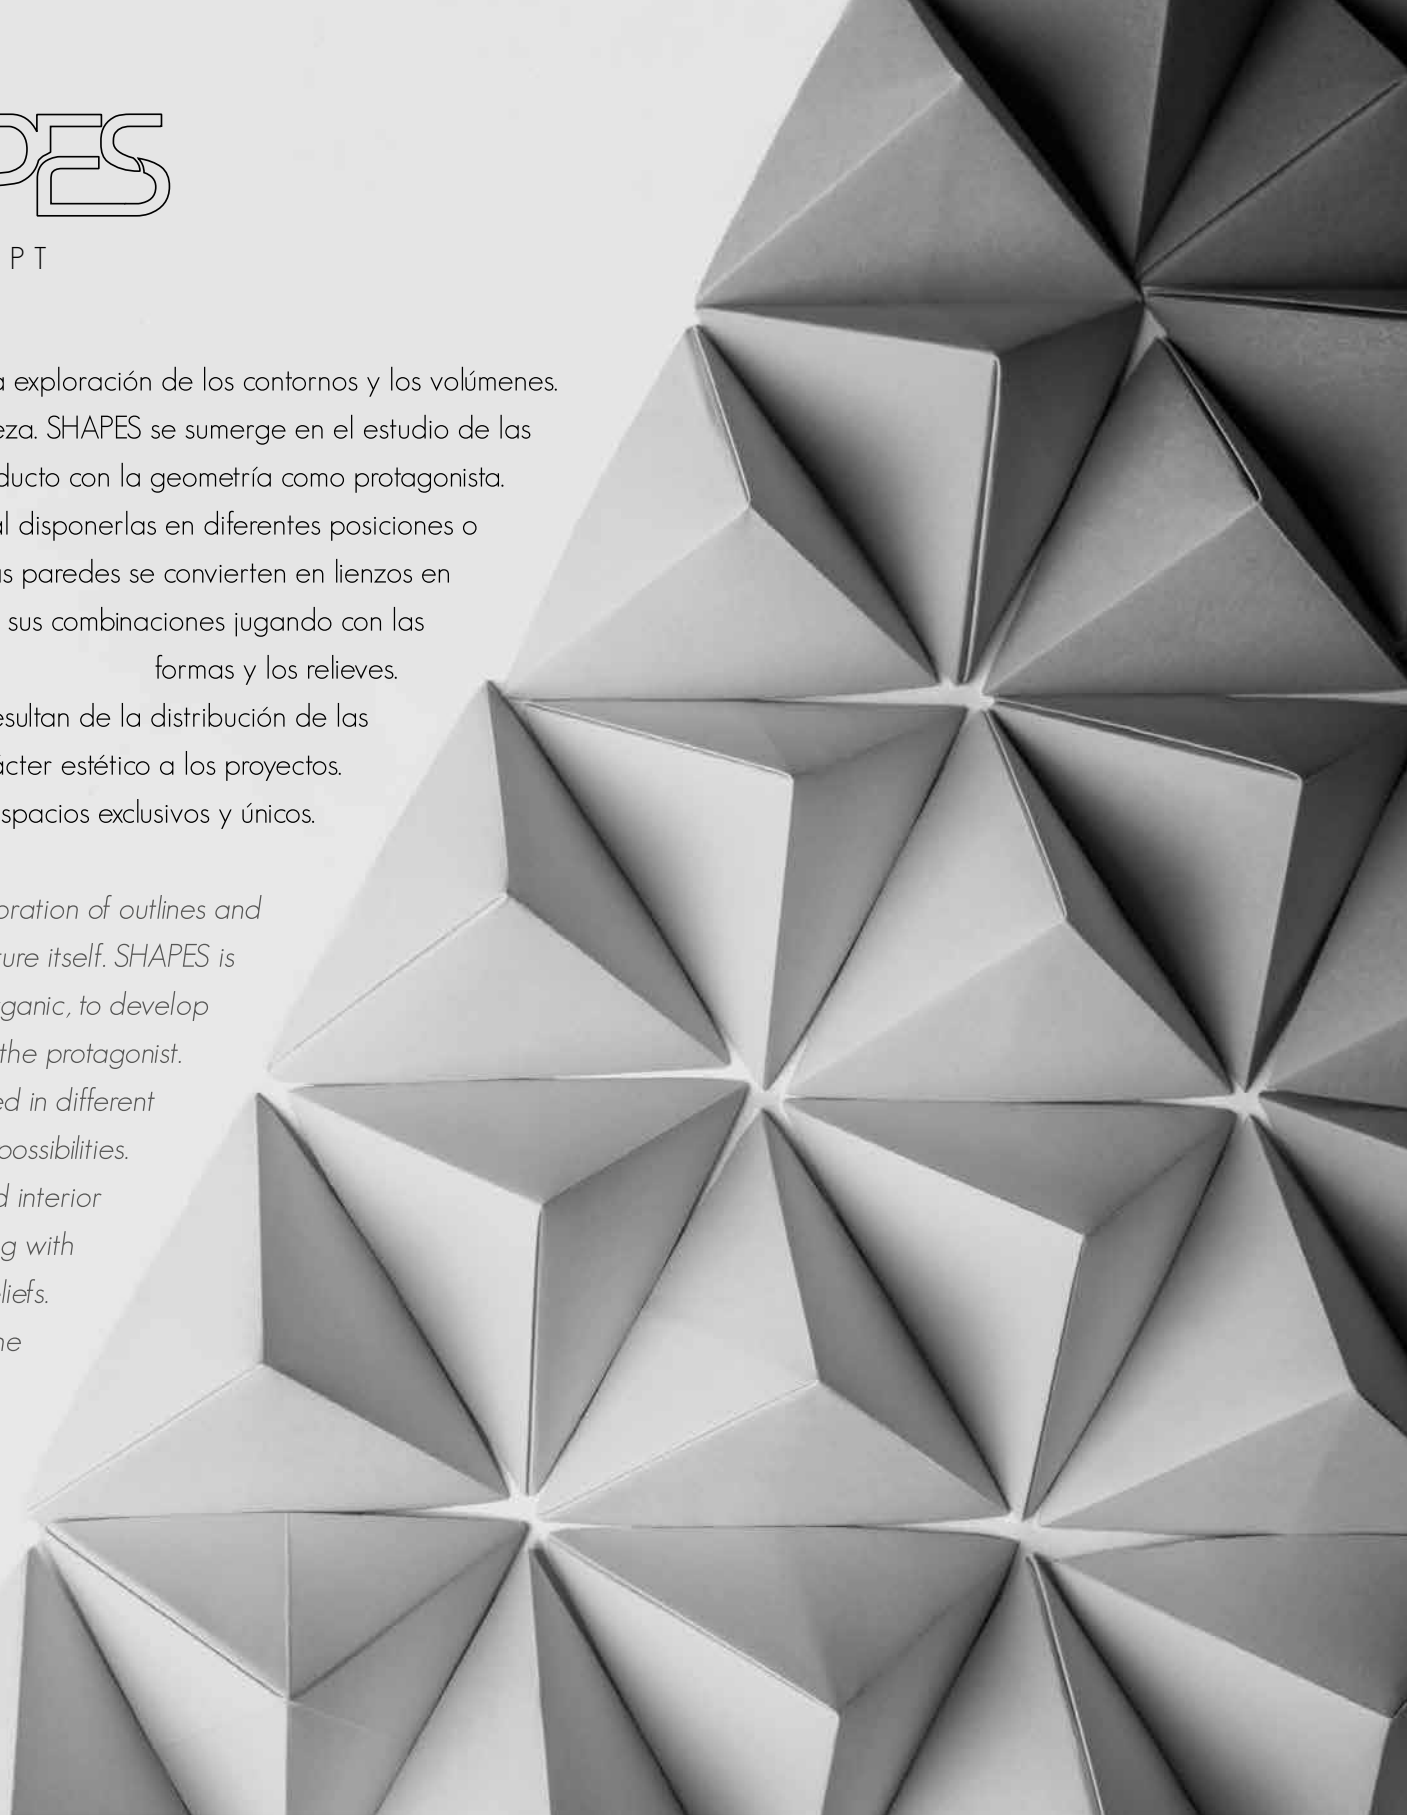

The SHAPES collection by DUNE arises to deepen the exploration of outlines and volumes. Inspired by fashion, building and nature itself. SHAPES is immersed in the study of lines, both straight and organic, to develop a product with geometry as the protagonist.

The versatility of the pieces of this collection, when placed in different positions or combined with each other, provides endless possibilities.

The walls become blank canvases where architects and interior designers can create their own combinations by playing with shapes and reliefs.

Proportional or asymmetric compositions resulting from the distribution of pieces, bring a distinctive and strong aesthetic character to the projects.

A world of opportunities to create exclusive and unique spaces.

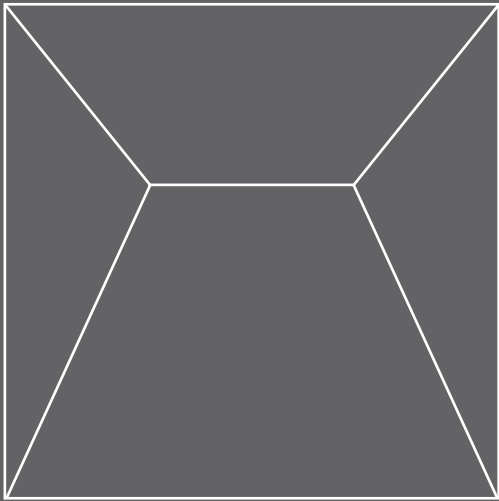

La inspiración surge de las formas del ORIGAMI, antiguo arte japonés que, a base de pliegues, logra que el papel adopte las formas más creativas y variadas, transmitiendo calma y paciencia a quien lo practica. Esta colección consta de tres tonalidades mate: Blanco, Negro y Gris; una brillo: Blanco; y una metalizada: Bronzo.

Cuenta con dos relieves en PVD Oro (Origami y Japan) y dos en PVD Plata (Kioto y Multishapes) que, bien solos o complementando a los acabados Blanco, Negro y Gris, aportan un toque muy sofisticado. A cada uno de los relieves se le ha aplicado un juego de texturas en pasta de vidrio y se ha recubierto con PVD, potenciando el contraste del fondo mate con el brillo de la pasta de vidrio.

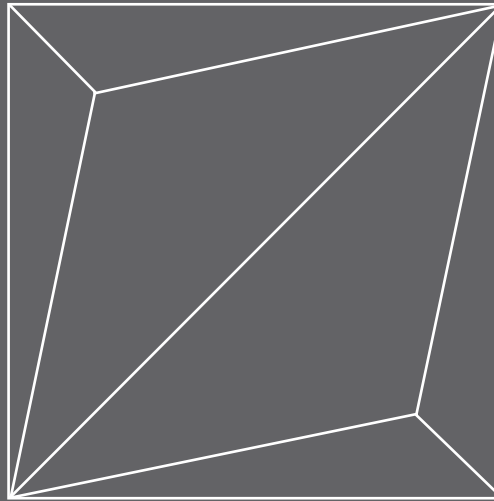

The inspiration arises from the forms of ORIGAMI, the ancient japanese art of paper folding, in which paper is folded into the most creative and varied shapes imparting those who practice it with calm and patience. This collection consists of three matt tones: White, Black and Gray; a gloss tone: White; and a metallic one: Bronze.

It also includes two reliefs in PVD Gold (Origami and Japan) and two in PVD Silver (Kyoto and Multishapes) which, either alone or in combination with the White, Black and Grey finishes, provide a very sophisticated touch. A texture in pâte-de-verre is applied to each of the reliefs and they are coated with PVD, highlighting the contrast between the matt background and the pâte-de-verre.

Japan. Este relieve debe su nombre al lugar de inspiración de la colección. Posee una forma piramidal, aunque el vértice de la pirámide ha sido truncado. Su forma nos recuerda a los tejados de los santuarios y templos Japoneses.

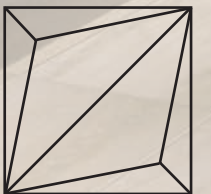

Japan. This relief owes its name to the place of inspiration of the collection. It has a pyramidal shape, although the vertex of the pyramid has been truncated. Its shape reminds us of the roofs of Japanese shrines and temples.

Origami. La simetría de este relieve surcado por una diagonal, emula las formas que adopta el papel cuando se crea con él.
Origami. The symmetry of this relief marked by a diagonal line, emulates the shapes that the paper adopts when folded.

Kioto. La capital cultural de Japón da nombre a este relieve con forma piramidal. Una pirámide cuyo vértice ha sido desplazado.
Kioto. This relief, with pyramidal shape, is named after the cultural capital of Japan. A pyramid whose vertex has been displaced.

Multishapes. Es una miniatura de los cuatro relieves: dos módulos ORIGAMI, un módulo JAPAN y otro KIOTO.
Multishapes. This is a combination of miniature versions of the 3 main relieves: two ORIGAMI modules, one JAPAN module and one KIOTO module.

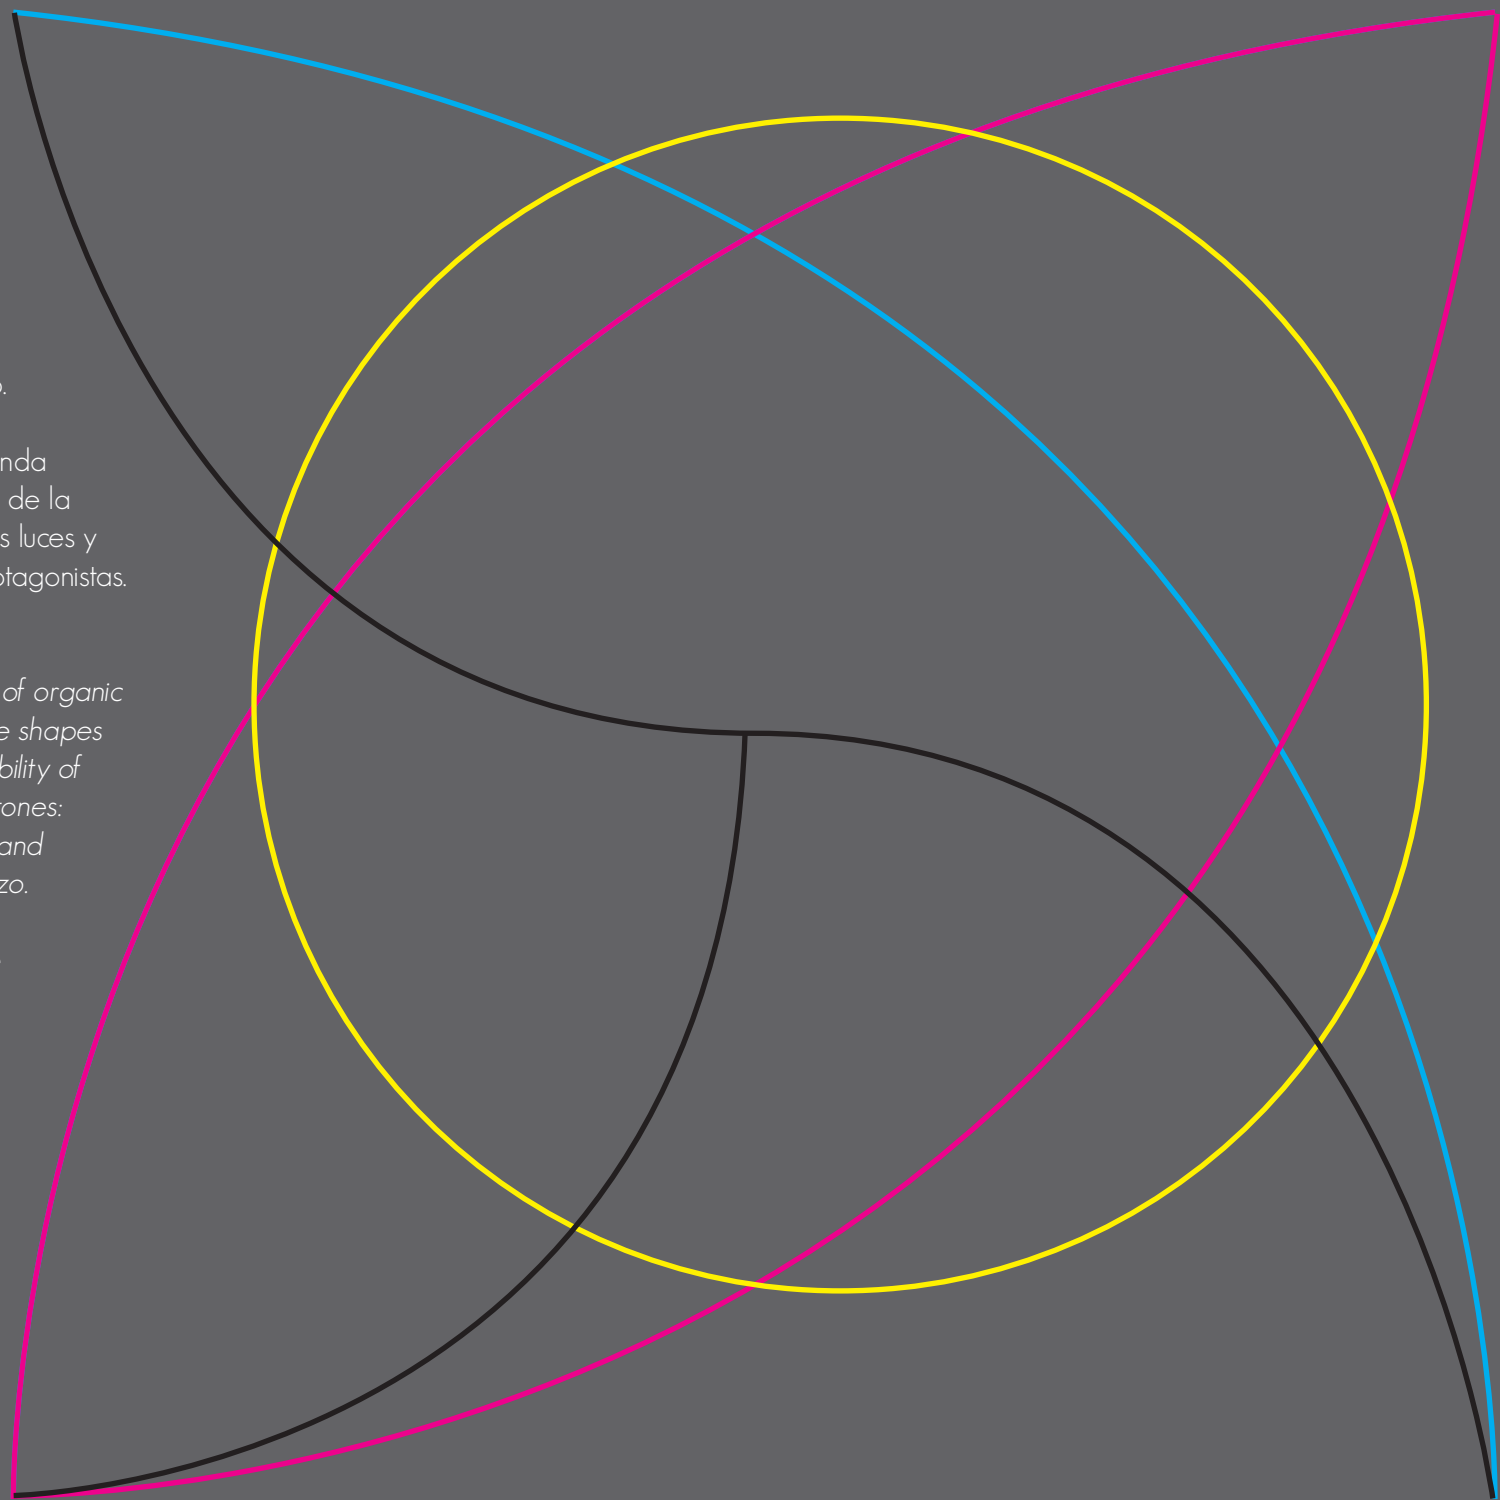

Con la mirada puesta en Asia nos inspiramos en la belleza de las formas orgánicas y curvas. Esta colección es una oda a la naturaleza. Las formas de los relieves, en apariencia simples, dan un sinfín de opciones de colocación. Consta de tres tonalidades mate: Blanco, Panna y Greige; una brillo: Luce; y una metalizada: Bronzo.

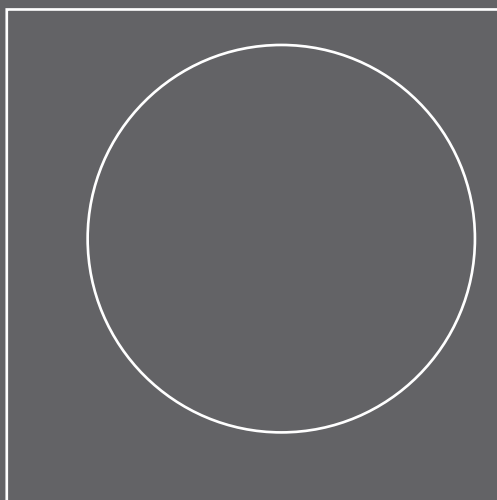

Al igual que la anterior esta colección propone dar rienda suelta a la creatividad, para así crear, a partir de la simplicidad, una composición compleja donde las luces y las sombras sean las protagonistas.

With our eyes to Asia, we are inspired by the beauty of organic and curved forms. This collection is an ode to nature. The shapes of the reliefs, seemingly simple, offer an endless possibility of pattern layouts. This collection consists of three matt tones: White, Panna and Greige; a gloss tone: Luce; and a metallic one: Bronzo.

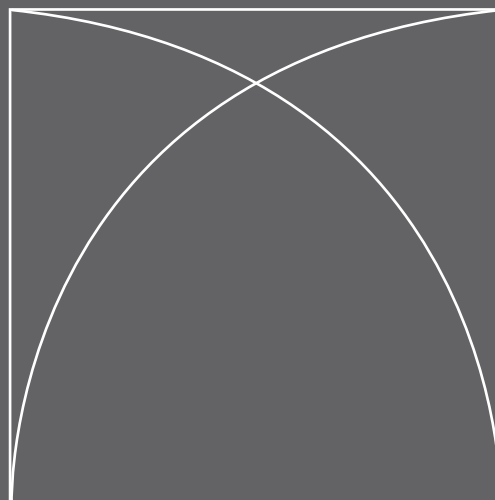

As with the previous one, this collection proposes to give free rein in creativity, in order to create, from the simplicity, a complex composition where lights and shades are the protagonists.

Bivio. En italiano "Cruce de caminos". Este relieve tiene como protagonista las intersecciones, puntos de unión que a veces unen y otras separan.
Bivio. This word means in italian "Crossroad". This relief has as protagonist the intersecciones, points of union that sometimes join and other times,separate.

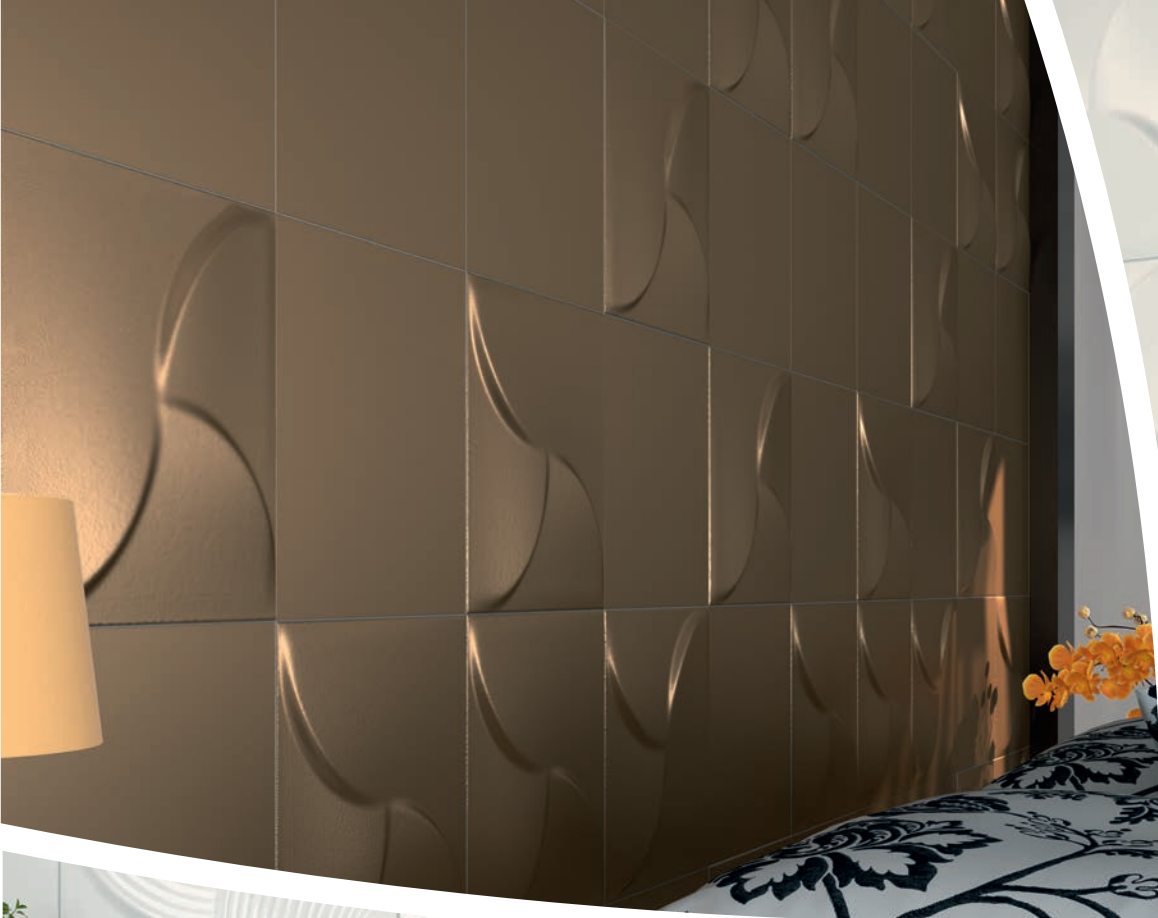

Luna. Es un relieve inspirado en el único satélite natural que tiene la tierra, la luna. Su desplazamiento dentro del azulejo representa el movimiento de la misma en el cielo.
Luna. It is a relief inspired by the only natural satellite of the earth, the moon. Its displacement inside the tile represents the movement of it in the sky.

Aria. El nombre de este relieve también proviene del italiano, y significa "Aire". Sus formas evocan a las aspas de los molinos de viento.
Aria. The name of this relief also comes from the Italian language, and means "Air". Its shapes evoke the blades of the windmills.

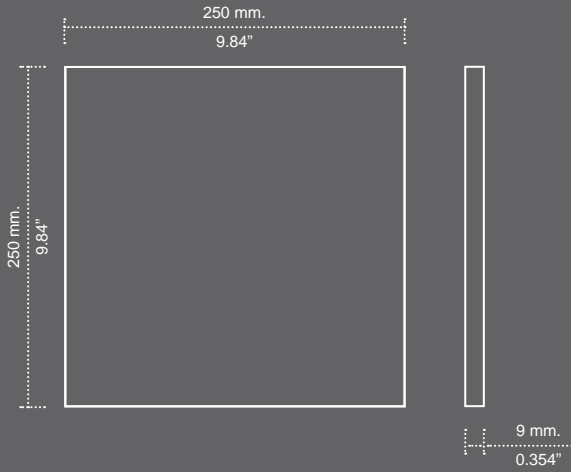

Mandorla. "Almendra" en italiano. Esta forma tiene un gran significado en el mundo del arte. Su forma proviene de dos círculos que se intersectan. Representa el camino entre los dos mundos, el terrenal y el celestial. También las hojas de los árboles.
Mandorla. "Almond" in Italian. This form has great significance in the art world. Its shape comes from two intersecting circles. It represents the way between the two worlds, the earthly and the celestial. Also the leaves of the trees.
